

## Curriculum Vitae

### Lic. oec. HSG Mathias Manuel Hevert

Mathias Manuel Hevert (born 1976) is Managing Director of the manufacturer of natural remedies Hevert-Arzneimittel GmbH & Co. KG in Nussbaum, Germany.

Hevert studied business administration at the University of St. Gallen in Switzerland and the Stockholm School of Economics in Sweden with a degree in economics and Master in International Management. Alongside his business activities, he later decided to do a Master's course in Consumer Health Care at the Charité-University Medicine Berlin, earning a Master's degree in Consumer Health Care.

Hevert took over the family-run company in early 2003 after the death of his father, Dr. Wolfgang Hevert, as the eldest of three children. Previously, he worked with a pharmaceutical company and a brand strategy consulting firm in Switzerland and also for a bank and a manufacturer of special chemicals in the United States.

Hevert has set for himself the objective of expanding the company's position in the German pharmaceutical market and to make it an internationally renowned natural medicine company.

From 2004 to 2018, Hevert was board member of the German Medicines Manufacturers' Association (BAH) in Germany, where he represented the interests of manufacturers of natural remedies. Since April 2013, Hevert has been a member of the board of management of ECHAMP (European Coalition on Homeopathic and Anthroposophic Medicinal Products).

Hevert holds a dual citizenship of Germany and Switzerland, and speaks German, English, French and Spanish.

He is married and lives with his wife and two children in Berlin, Germany.
